# CURRICULUM

The curriculum is planned with the aim of providing a broad, balanced and relevant programme of study for all. Woodlem Park is a CBSE school that operates within the framework set by the National Curriculum. However, we are continually developing our curriculum to provide a personalised curriculum for all.

We strive to foster an enthusiasm for learning, which encourages every student to reach the highest possible academic standards. A wide range of teaching and learning strategies are used depending on the age and stage of learning of the students. Information technology is integrated into the curriculum to support and extend learning.

## The curriculum focuses on six domains:

- Personal, social and emotional development
- Physical development
- Knowledge and understanding of the world
- Numeracy
- Literacy
- Creative development

Woodlem Park School focuses on inspiring young minds with creativity and innovation. International standards are adopted to maintain the quality of education and infrastructure. The school strives to establish the world's best practices for developing an integrated education system that produces talents and skills required for the future. Thus, for developing language skills among children, Woodlem Park has joined hands with language academies across world.

Teaching and learning mathematics is a challenge across the world. To make teaching easier and learning faster, the school has collaborated with international experts who help develop mathematical skills through games.

Difference in learning ability is another challenge. Multiple Intelligence analysis is performed for children, parents and teachers to assess learning difference and adapt teaching methods accordingly. Woodlem has joined hands with Google to create a secure and scientific learning environment.

At Woodlem Park, we follow an internationally recognized curriculum in an environment carefully constructed to encourage children to become highly explorative and independent learners.

The focus is on a holistic blend of academic, creative and sporting development, which promotes a strong sense of pride in personal growth and achievement.

In addition, our distinctive teaching methods and contemporary approach ensure a well rounded social and emotional development, empowering students with the necessary skills to secure bright and successful futures.

# EXTRA-CURRICULAR ACTIVITIES FOR HOLISTIC DEVELOPMENT

**“All work and no play makes Jack a dull boy”** goes a popular adage. We, at Woodlem Park, believe this is true.

This is exactly why we have made it a point to incorporate extra-curricular activities into the daily schedule of our students.

Whatever be the area of interest to your child, he will be met with support and admiration at Woodlem Park.

Some of our most popular extra-curricular activities are: Reading Club, Sports & Games, Art & Craft, Drama Club and Music & Dance

## READING CLUB

The reading habit is something that needs to be developed from an early age. To aid to this, we have set up well-stocked reading nooks in KG, primary as well as the secondary sections.

Children are encouraged to read and share what they have learned from their literary pursuits with their friends and teachers.

## SPORTS & GAMES

Health is wealth and there is no better way to improve your health than to get active and exercise. Regular sports & games classes are inculcated into the schedule to get children into the habit of exercising and staying fit.

Spiritual well-being through yoga classes and martial arts, such as Karate and Kung-Fu, are also taught by well-trained professionals.

# READING CLUB DRAMA CLUB SPORTS & GAMES ART & CRAFT MUSIC & DANCE

## ART & CRAFT

Art is considered to be therapeutic. Our Art & Craft teachers help kids lend colour to their dreams.

Our little pupils reward us with some unique masterpieces indeed!

## DRAMA CLUB

The Drama Club allows children to set their imagination free.

Theatre instills confidence in children and helps hone the art of speaking- two very valuable assets to have in today's world.

## MUSIC & DANCE

Whether it is classical or contemporary, our music and dance classes offer an excellent opportunity for children to learn different dance forms and music.

# OUR FACULTY

A band of highly enthusiastic, committed and caring teachers from across the globe impart quality education to the pupils.

The school boasts of its cosmopolitan staff (academic / non-academic) that conscientiously work towards the optimum development of the human potential in the pupil.

HIGHLY QUALIFIED  
TEACHING &  
NON-TEACHING STAFF

# OUR PARENT COUNCIL OUR STRENGTH

Based on Ministry of Education's parent council by-law, the parent council functions in the school, promoting transparency in all procedures of the school.

Regular meetings are held where parents are updated with the development of the students.

Selected parents take part in the School Leadership team meetings.

This enables them to understand how the school carries out strategies for the all-round development of the children.

# SAFETY AND SECURITY

## CCTV TO BOOST CAMPUS SECURITY

At Woodlem Park, we understand that each child is precious and important beyond measure. We are conscious of the fact that every parent who chooses to send their child to Woodlem Park has immense trust in our abilities. Therefore, we consider it our utmost duty to go that extra mile to keep each and every child safe and happy.

We have a licensed nurse and a fully equipped clinic within the school premises to look after any child who falls sick. In case of an emergency, the parents will be contacted immediately, and if necessary, arrangements will be made for the child to receive medical help, including treatment at hospital.

Additionally, our school is under CCTV surveillance 24 \* 7. Well-trained attendants accompany and monitor the children at all times. Our buses also have a female attendant at all times to help children stay safe during travel.

# OUTDOOR & INDOOR SPORTS

- Cricket
- Athletic track
- Lawn tennis
- Swimming pool
- Chess

# TRANSPORT

The Transportation Department ensures the safest and most efficient pupil transportation services to our students to ply from Ajman, Sharjah, Umm Al Quwain, Daid and a few selected parts of Dubai. By keeping our standards high, we are certain we will continue to operate as a highly successful, safe and efficient transportation system for our community.
